ROTARY FOUNDATION SNIPPETS

By Biffy Danckwerts

Annual Programmes Fund

Purpose: Provides the necessary funding for operation of Foundation programs. Visit www.rotary.org for additional information, including ways to give.

How Fund works: Contributions made by individuals, clubs, and districts are invested for three years.

After three years

- . 50% of the original contribution is returned to the district through the DDF.
- . 50% of the original contribution is provided to the World Fund to support Foundation programs available to all Rotary clubs and districts.
- . Investment earnings support administrative costs and may be used to benefit the Foundation's programs.

Recognition Contributions to the Annual Programs Fund count toward Rotary Foundation Sustaining Member recognition, Paul Harris Fellow recognition, Multiple Paul Harris Fellow recognition, Paul Harris Society, and Major Donor recognition.

Permanent Fund

Purpose: Ensures the long-term viability of TRF and its programs. Spendable earnings from this endowed fund enable TRF to expand existing programs and underwrite new programs.

How fund works: Contributions are invested in perpetuity. A percentage of the total value of the fund is spent annually to benefit TRF programs.

Types: Outright gifts of property, cash, or investments. Life income gifts (e.g., charitable remainder trusts, charitable gift annuities, pooled income fund).

Testamentary gifts through a will or estate plan

Recognition: Those who notify TRF they have made a provision in their will or estate plan or who make an outright gift of at least \$1,000 are recognized as Benefactors. Those who inform the Foundation they have made a commitment of \$10,000 or more in their final estate plan are eligible to receive Bequest Society recognition. Outright contributions to the Permanent Fund count toward Major Donor recognition.

Contribution Recognition

Purpose: Acknowledges the financial support generously provided by individuals.

Types: Rotary Foundation Sustaining Member (\$100), Paul Harris Fellow (\$1,000), Multiple Paul Harris Fellow (\$2,000-\$9,999), Paul Harris Society (\$1,000 annually), Benefactor (\$1,000 contribution to the Permanent Fund or provision for the Permanent Fund in estate plan), Bequest Society (at least \$10,000 commitment in estate plan), Major Donor (at least \$10,000 in outright giving), Arch C. Klumph Society (at least \$250,000 in outright giving)

SHARE System is the mechanism through which contributions to The Rotary Foundation are transformed into program and grant awards that the Foundation distributes worldwide.

At the end of every contribution year, each Rotary district's contributions to the Annual Programs Fund are divided into two funds: 50% to the World Fund and 50% to the District Designated Fund (DDF). The 50% to the World Fund pays for programs available to all Rotary districts and clubs, regardless of their specific contributions. The district uses the remaining 50% of DDF to fund the Foundation programs and grants it chooses to participate in. Clubs can access these funds through the district Rotary Foundation committee.

The SHARE 3-year Cycle

An additional facet of the SHARE system is its unique funding cycle wherein Annual Programs Fund contributions are invested for three years and used for programs and grants three years after they are received. The three-year cycle gives districts time for program planning and participant selection and allows the Foundation to pay for administration and fund development costs from the earnings from those investments.

PRESIDENTS ITEMS

President Mike announced that as there seemed to be no objections that Karen would be our President Elect. Well done Karen.

The list of duties and committees has been circulated. If anyone has a problem with any of the allocations or would like extra duties, please let Mike know.

Mike has circulated the budget. The only comment arising seemed to be about our income not always being a sure thing and that members should always keep looking for other sources of income. The budget was approved.

Mike then inducted our newest member Rob Murphy. Mr Murphy we hope that you will have many happy and fun years with WRC.

Jackie reported back on the Future Vision meeting at Kelvin on Saturday 28th July and will now be serving on the District Future Vision Committee who still seem to be learning as they go along. Jackie read out the avenues/areas that would be covered by Future Vision, the objectives, motto and mission, sustainability is important, the cost involved would move up to a min of \$15 000 each (= \$45 000) making grants bigger cost wise.

Biffy was asked to report back on the status of the possibility of funding on the various projects that she had taken to the USA. But true to form she firstly took an additional spot with a message from Lina. Biffy and Lina had a long Skype call that morning. They are fine but missing us all very much.

FoodBank – there is a possibility of a German funder, IOWA district could be getting together to look at this project and Biffy has been told of a millionaire philanthropist (in the league of Bill Gates and Howard Buffett) who has said that he would be coming out. When this actually happens and Biffy sees flight tickets she will shoot her mouth off.

Victoria – Biffy is speaking to Bob and Fred in LA re army surplus in warehouses. Bob is ex army and has the contacts and Fred works for State import/export.

Khanyisa – nothing at this stage.

Lavender Hill HS – IOWA are keen to gather up secondhand instruments for the brass band. Koos Louw of the Navy also has money available to support this programme. Isiphiwo Primary School – Des Moines AM club have already sent \$2 000 for indigenous books for the library. Another exciting project that should take off is the Ontario Montclare School District have said that they will find funding to get the Grade 6 & 7's hooked up with the De Anzio school where the classes will be hooked up via a school room size skype and will need to learn from one another in various ways. Biffy has also loaded all projects on the USA database of projects looking for sponsor/partner clubs to see if anyone takes the bait.

Mike took a spot on the web site. Biffy said that unless content was provided nothing more could be done at this stage. Stephen seconded this. The biggest gap is the projects. Mike also mentioned getting a bunch of Wynberg Rotary club business cards printed where each member can fill in his/her name.

SLOTS

David announced that the progressive dinner would be on Thurs 30 August. Starters at the Hovstad's. Main course at 4 different houses. Coffee/desert at another venue to be announced.

Jackie told the club that the combined Inductions would take place on 21 Aug – see programme below. The Interact workshop would take place on 22 September. The beach clean up would take place on Sat 4 Aug. Biffy, Candice and Scott would be representing WRC.

Biffy briefly mentioned that she, John and Sarah had attended the Rotaract Weekend Conference at Misverstand Dam and even left Sarah there to the tender mercies of the Wynberg Rotaract Club, which she apparently enjoyed and came home very short of sleep.

Sarah told the club a bit about herself. She has been practicing as a criminal lawyer in Chicago. Has a younger brother, Amir, and sister, Sana, and her Mom and Dad in Chicago. Sarah hopes to learn something useful to take back with her in connection with juvenile incarceration and work with NICRO through her UCT programmes. And also through Rotaract and Rotary work.

JACKPOT

The jackpot continues to creep closer to the magic R2000 mark, and Biffy's draw of a 8♣ helped it to get closer. It now stands at R1900+, and Biffy then drew Karen's name for the attendance prize of R20.

PRESIDENTS QUOTE FOR THE WEEK

1. You can't put a limit on anything. The more you dream, the farther you get.
2. It all starts with a goal.
3. If you want to be the best, you have to do things that other people aren't willing to do.
4. I wouldn't say anything is impossible. I think that everything is possible as long as you put your mind to it and put the work and time into it.
