## Editorial

*by Lina Howard*

At Christmastime we often focus on giving gifts to those we love. But remember that some of the greatest presents are those you can't wrap. Here are some unforgettable gifts you can give your parents and family

One of the greatest gifts you can give is service. This is easy to do if you just take a bit of time and thought.

Of course as we are in the time of parties, our most fantastic party is rolling – UNCLE PAUL's Christmas party which is attended by hundreds of families.

A delightful evening for the whole family – and an iconic event by our Rotaractors who work there nearly every night for 3 weeks. So helping out at the car park is just a small service we can all do. Not one night but try for as many as you can manage.

Another service – offer to drive an elderly neighbour to the shops or take them out for tea and a sticky bun  
Clean up the garden.

Prepare a meal for someone who lives alone.

Give a gift to a homeless person

Spend time with your family – especially those who are older.

Just be joyful and smile and wish everyone a happy holiday.

Commit to doing more next year for your Club.

New motto: Less complaining and more positive thinking.

**Blessed Christmas to all!**
